

Best for Family Active Holidays 2018 - Greece

Alpine Travel is a pioneer Eco-research, tourist and mountaineering company in Greece. We profile the firm to find out more and explore the secrets behind its success.

Founded in 1991, and now market leader in adventure tourism in Greece, Alpine Travel offers high quality services to a large number of visitors from all around the world.

Should tourists decide to be in this part of the Mediterranean, it will be the firm's pleasure to accompany them on a singular and pleasurable discovery of the Greek countryside, mountain summits and coastal line.

To ensure safety and security, the firm's team of trained and inspired individuals are there to help clients practice or discover outdoor activities in places of extraordinary beauty with the utmost safety. Alpine Travel's drivers-tour leaders are there to assist guests and discover off road routes in places of extraordinary beauty. For this purpose, the firm provides special

equipped 4X4 vehicles and all the necessary equipment as well driver-tour leader if requested.

Additionally, the firm offers aerial sightseeing tours, private sightseeing flights and excursions offering the chance to see Greece's attractions from above. It also offers private transfer services, unique advantages as the firm combine safety, comfort and versatility.

Guests can also charter "Explorer II", the firm's motor yacht explore the endless Greek Seas, dive in the Cretan and Libyan exotic waters, follow Odysseus routes in the Ionian and step from peace to luxury in the Aegean.

Ultimately, Alpine Travel is committed to helping tourists to experience Greece like never before, and this will remain its focus over the years to come.
